

How to discover a specific community?

- 1) Go to the "network - Communities" section.
- 2) Once in this one, click on the "find 1536584532ic_search_white_24dp.png" tab at the top right of your screen.
- 3) Enter in the search bar the name of a community, activity or place that interests you to find a specific community.
- 4) From there, it is up to you to select the community that suits you best among the proposed communities.
