

How to draw a trail?

- 1) Go to "create a trail".
- 2) Enter a start point in the search bar at the top left of your screen.
- 3) Once done, select the draw mode.
- 4) Then click on the "draw" tab.
- 5) Then go to the map and point your cursor at the starting point of your trail.
- 6) Trace your trail point by point.
- 7) When you are done, choose the "describe and publish" tab.
