

## How to change the map when creating a trail?

Once you find yourself on the "create a trail" part of the site,

- 1) You have the possibility to choose the map on which you will create your trail.
- 2) To do this, click on the tab "map selection" at the top right of your screen.
- 3) Select the map on which you want to draw your trail.

Notes: different types of cards ...
