

## How to get to the starting point of a hike?

- 1) Look for a trail.
- 2) Tap the trail you want to do.
- 3) The details of it will appear in large and then press the icon **"Go to the starting point"**  at the top right-hand corner of the screen.
- 4) Clicking on this icon will bring you to an online route application like Google maps, etc.

You can now start your trail! Good walk.
