## How to get to the starting point of a trail ?

1)    Look for a trail.

2)    Tap the trail you want to do.

3)    The details of it will appear in large and then press the icon "**Go to the starting point**" 1536586337ic_directions_black_24dp.png at the top right-hand corner of the screen.

4)    Clicking on this icon will bring you to an online route application like Google maps, etc.

You can now start your trail! Good walk.
