

## How to print a trail from the catalog?

- 1) Find the trail you are interested in.
- 2) When you think you have found the right one, you can click on it to see its description sheet.
- 3) Then select the "print" icon. \*\*

Note: If you want to change the trail display for printing, go to your settings, select the "display" tab, and change the display for the print option.
