

## How to open a trail that you want to follow?

- 1) Go to the "**My account**" section  once your trail has been downloaded.
- 2) Go to the "**Downloaded and stored**" tab.
- 3) Select the trail you want to follow.
- 4) Then tap the icon at the bottom right-hand corner of the screen .
- 5) From there, your trail opens in the app automatically.
