How to reverse the trail's direction we want to follow?
1) Open the trail in the app.

2) Go to the "**Trail**" section in the information area at the bottom of the screen.

3) Then press the "**Settings**" icon   1536586305ic_settings_black_24dp.png to the right of the bar.

4) Finally, tick the "**Reverse the route**" proposition.
