## How to start tracking a trail in the app?

1) Open the trail in the app.

2) Go to the "T**rail section**" in the information area at the bottom of the screen.

3) Then press the red   1536586374ic_navigation_go_black_24dp.png icon at the bottom right-hand corner of the map.

And let's go for a nice trail!
