

What are the advantages of a Premium World subscription ?

- 1) The Premium World subscription gives you access to the **SityTrail topographic maps**.
- 2) It also entitles you to the **OpenCycleMap maps**.
- 3) It entitles you to the **Slope maps**.

Wherever you are in the world, **SityTrail Premium World** guides you on trails and bike paths with reliable altimetry data.

Note : Other functions will be added as an alert when approaching important slopes (useful in case of fog, snowfall or simply during the night).
