

## How to create a SityTrail account ?

Creating a SityTrail account is a simple, easy and fast operation.

First, you need to go on the SityTrail homepage.

Then you will have to proceed to the following steps:

- 1) Click either at the top right of the "login" tab or at the bottom of the "register for free" tab.
- 2) Then click on "Create a SityTrail account" .
- 3) Finally, you just have to fill in the fields proposed by the software: your email, your password, your username, ...

Congratulations, you are now a SityTrail customer. Welcome.
