

How to change the display of tracks ?

1553076533Display%20tracks.jpg

Zoom in the picture

- 1) Open the main menu via this icon: 1536586635ic_newsfeed_black_24dp.png
- 2) Select the "**Settings**" tab.
- 3) Choose the "**Display**" proposition.

From there, you can manage the display of your tracks.

Note : it is possible to do this for open trails and for the trails recordings
