How to access his trails from his server account ?

1553076187access%20trails%20server.jpg
Zoom in the picture

1) Go to the "**My account**" section   1536586983ic_mylists_white_24dp.png

2) Tap "**My trails**" next to your profile.

3) There, all your trails already stored on your mobile will be displayed.
