# How to add a trail to a list?

1) Once connected, go to "discover".

2) Search for a trail.

3) Select the trail you want to add to your lists.

4) The details of the trail are displayed and you can click on the button "add to my lists" 1536588407ic_playlist_add_white_24dp.png
.

5) Then choose the list to which you want to add the trail.
