

How to end a trail record ?

- 1) Press the green "**Stop**" icon at the bottom right-hand corner of your screen.
- 2) Be sure to press the "**Save**" tab.
- 3) From there, name the trail, decide on the visibility of it, describe it, define an outdoor activity and the difficulty of it.
- 4) Finally, press "**Validate**" and your trail is saved!
